Apply today for the Toronto East Rotary Club Bursary Program and you could be awarded up to \$1,000 to cover tuition and fees for full-time post-secondary education or training.

To be eligible for the Toronto East Rotary Club Bursary, applicants must be accepted into a post-secondary:

How are recipients selected?

Successful bursary recipients will be selected from among Toronto's up-and-coming diverse young leaders.

A recipient must have made a meaningful contribution to volunteer service in their community.

Candidates may be interviewed online by Toronto East Rotary Club, to discuss their community contributions and education plans.

If you are successful:

The bursary funds must be used for tuition fees, or course required equipment and supplies at your choice of accredited education organization. The funds may also be applied to the required costs of a recognized trade apprenticeship or similarly approved program. Toronto East Rotary Club will remit all bursary funds directly to the agreed program.

Timeline:

Interviews will start after July 1, 2025 and bursaries may be awarded at that time.

We will continue to accept applications until our available 2025 funds are depleted.

All decisions made by the Toronto East Rotary Club Awards Committee are final.
