## **28<sup>th</sup> Annual Toronto East Rotary Club Golf Tournament**

Tuesday September 15, 2026

Richmond Hill Golf Club 8755 Bathurst Avenue Richmond Hill ON.

### **Dear Sponsors:**

Since 1965, the Toronto East Rotary Club (TERC) has had a single goal: "Service Above Self". We make a difference in our community by offering assistance and programs for those in need no matter what the economic environment. The needs are now greater for many of those that require our support.

Over the past 27 years, the Golf Tournament has raised over \$450,000 dollars. Its success relies heavily on the dedication of supporters, volunteers, participants, and valued sponsors such as you.

Basic needs and food insecurity remain a major challenge for many families in our community. With your generous assistance, we continue to assist those in great need. It is our hope that you will be able to join us for a round of golf and help us with a sponsorship. There are several sponsorship levels to support our efforts to continue helping those that need it most. Your contribution will be recognized with on-course signage, social media coverage, and with advertising on our website and many other platforms before, during and weeks after, as well during our presentations at the tournament. If you cannot attend a donation of any amount is greatly appreciated.

Some of the recent community projects, TERC has supported:

- Michael Garron Hospital's cancer patient support
- Local food banks & family shelters with the provision of clothing, toiletries, lunches, PPE, bedding, diapers, and other items of need
- Canadian Forces Veterans Comfort Fund at Sunnybrook K Wing
- Boots on the Ground First Responders Mental Health Support
- Blake Boulton Youth Outreach Service-for youth in crisis
- WoodGreen Community Services, including their Christmas Meals on Wheels program
- Youth development including international exchange and leadership programs

In addition to the above community projects, Toronto East Rotary supports projects in the developing world, including polio eradication, ShelterBox, sustainable farming and reforestation in Africa, and water projects in Laos & Sierra Leone.
