

You've probably seen us at the bottle depot.

We operate the bottle return depot in Wellington as one of our major fundraising projects. Our members enjoy the camaraderie and fun of working together. Almost everyone in town visits us here at one time or another.

We're local business men & women, professionals & active retirees.

If you're new to Prince Edward County (or even if you're not) you can meet diverse, accomplished, and interesting people at our club. Breakfast meetings held weekly.

WHY JOIN WELLINGTON ROTARY CLUB?

Improve our community, improve our world— and have fun doing it!

Our shelter & toilet on the Millennium Trail

We create and maintain local amenities

You've probably seen some of our projects.

We built the boardwalk at Wellington Beach, and we clean it up each spring with a work party, followed by a club barbecue.

We improved 11 kilometers of the Millennium Trail with surfacing suitable for bicycling or baby carriages. We've recently added a shelter and a toilet. We help groom the trail annually.

We donated towards the construction of the Essroc Arena, which now has a Rotary Room.

We support both local & international charities.

We raise funds and donate to worthy organizations in the Quinte area, and to international projects providing clean water, hygiene facilities and emergency relief in impoverished countries.

"There is a strong sense of satisfaction associated with helping others."

We participate in local events.

We have Rotary Ribs in the park on Canada Day, and booths at events such as Busy Hands, Midnight Madness and Family Day. Our float and our members participate in the Canada Day, Pumpkinfest, and Santa Claus parades.

Inter-Rotary Spelling Bee promotes literacy

The Wellington club participates with several other nearby Rotary clubs in funding, organizing and running in-school spelling bees and regional championships.

Rotary promotes literacy & education

We provide scholarships to students pursuing post-secondary education.
