REMEMBERING OUR ROTARIANS

This year, as we celebrate the 70th Annual Houlton Rotary Radio, TV & Internet Auction, we are remembering three long serving & devoted Rotarians. This year's Auction is dedicated to the memory of Bob Anderson, Forrest Barnes & Craig Bean.

The loss of Bob Anderson, Forrest Barnes and Craig Bean to the Houlton Rotary Club is significant. They had all been members for 50 or more years. All three had served as Rotary President. They all had been recognized as Paul Harris Fellows. And they all were fixtures at the Rotary Auction for years. They left an impact on our club. They will long be remembered and will be deeply missed.

Robert E. Anderson, who we all knew as Bob, passed away on January 30, 2025, at the age of 87 after a long illness. Bob had been a member of the Houlton Rotary Club for nearly 64 years and served as club President from 1965-1966. He was recognized as a Paul Harris Fellow in 1991 and was presented with a

Lifetime Achievement Award in 2018. Even though Bob's leadership roles in the club were many years ago, he remained a leader amongst the members. He was looked up to and respected by all. Bob was a presence at the Rotary Auction for years and even when he couldn't be present, he could be heard bidding on numerous items ... one of which was usually a pecan pie made by his daughter-in-law Liz. He would often pay well over the listed value for the pie even though she would probably have made one especially for him.

Bob was an accomplished businessman and was known for his philanthropy. He served many years as President of F. A. Peabody Company before handing that role over to his son and fellow Rotarian Chris. As Chris told the club recently, Bob stayed involved in the company up until the end. One highlight of Bob's civic accomplishments was his involvement with the Houlton Regional Health Services Foundation which was created from Bob's vision. He was instrumental in developing the Boy & the Boot Endowment Program, which Rotary features each year during the auction. He was part of the Society of '72 and created the County Open as a major fundraiser. The foundation has put more than \$3.2 million dollars to work for health care in our community since its inception. Bob was also the driving force behind the building of the Gateway Crossing Bridge and the development of Riverfront Park.

Bob's family was also supremely important to him. He was a devoted husband to Jeanette, a proud father to his children Chris & Kathy and a loving grandfather to his 5 grandchildren.

We thank Bob for his service to the club and the community. We will strive to follow his lead.

Forrest W. Barnes, also known as Woody, passed away on March 29th, 2025, at the age of 91. Forrest was a Houlton Rotarian for nearly 58 years. He was President immediately after Bob Anderson, serving from 1966-1967. Forrest was recognized as a Paul Harris Fellow in 2000 and just last year he was presented with the Lifetime

Achievement Award. Forrest's dedication to Rotary was remarkable. He rarely missed a meeting ... even during COVID. He was our unofficial parliamentarian whenever the club was voting on things as he knew those procedures instinctively. Forrest was always a presence at the Auction. He even served as an on-air Auctioneer during our pandemic Auction when we went completely remote. He wasn't going to miss it. You would often hear his name bidding on items and he meticulously kept track of his successful bids. This will be the first year without Forrest and it will be a noticeable absence.

Forrest's profession was as an attorney, following in his father's footsteps. He attended Ricker Classical Institute for high school and attended Colby College before enlisting in Navy's Officer Candidate School. He served in the Navy before earning his law degree and returning home to join his father at Barnes Law Office and never retired from that profession. Forrest served the community in a variety of ways. He was a Trustee and past board President of Houlton Regional Hospital. He was a Master Freemason at Monument Lodge and was a life-long member of the First Baptist Church. A distinguishing accomplishment of Forrest's was his 51 years of service on the Cary Library Board of Trustees. In 2024, he was elected to his 11th consecutive 5-year term on that board.

Forrest was a true family man. He was married to his beloved wife Ann for 67 years. They had three sons – Robert, Thomas (who predeceased him) and Andrew, and five grandchildren. He instilled in all of them his love of the outdoors ... especially the Maine outdoors.

Thank you, Forrest, for being a pillar of our club for so many years. We will be thinking of you as we ring the bell at this year's auction!

Bradley Bean, or Craig as he was known, passed away at the age of 90 on May 20, 2025.

Craig was a member of Rotary for 50 years. He was the first to serve as President for two consecutive years – 1981-1982 and again from 1982-1983. He was recognized as a Paul Harris Fellow in 1996.

Craig was the senior member on the club's inaugural international service trip which took several club members to the Dominican to help provide clean water to the area. Having helped to build a hospital in the area, Craig was already known by the people there. The reception Craig received impressed the younger members who were traveling with him. Craig later became involved in Houlton Rotary's Literacy Program and began reading to students at the Elementary School. He again made an impression on the young people he spent time with and was always happily greeted. As a reflection of his 600+ hours he spent reading there, the new library at Houlton Elementary School was recently dedicated to Craig while local Rotarians were having a meeting there and then visiting classrooms to read to the students. Craig was also a regular worker at the Auction. For many years, Craig read the bids to the computer operator managing the tote board. He also made his special apple sauce to be bid on.

Craig came to Houlton as the first CEO of the newly combined Houlton Regional Hospital and retired from there. He had proudly served in the U.S. Marines and U.S. Navy before he began his career in health care. He spent several years travelling to the Dominican to build a school and hospital before that Rotary trip. He was a long-time member of the First Baptist Church. He was an avid cyclist, and he also enjoyed repairing and refinishing furniture.

Craig enjoyed nearly 60 years with his wife Arlene. They had four children – Garth, Jason, Erin and Valerie – and also had three grandchildren.

As we reinvigorate the Rotary Reader program, we will think of Craig and try to live up to his example. We thank him for all he did!

HOULTON ROTARY AUCTION 1956-2025

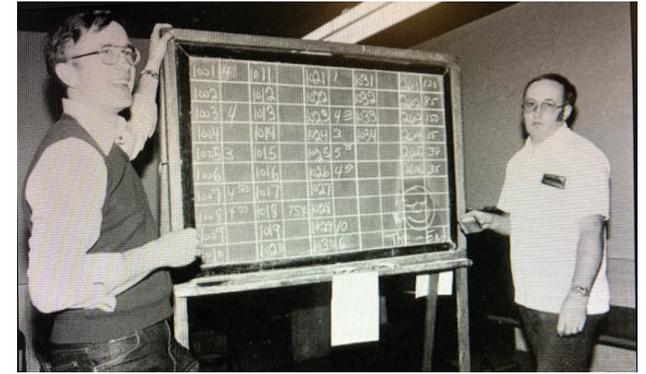

How the auction has progressed through the years!

In the early years of the auction, before computers, the successful bidders were tabulated by typewriter.

The Original "Mr. Rotary" for the Houlton Club, Harold "Baldy" Inman with Lou Potter singing a Thanksgiving tune.

Torrey Sylvester & John Scovill work the old chalkboard tracking the high bids for the phone bank.

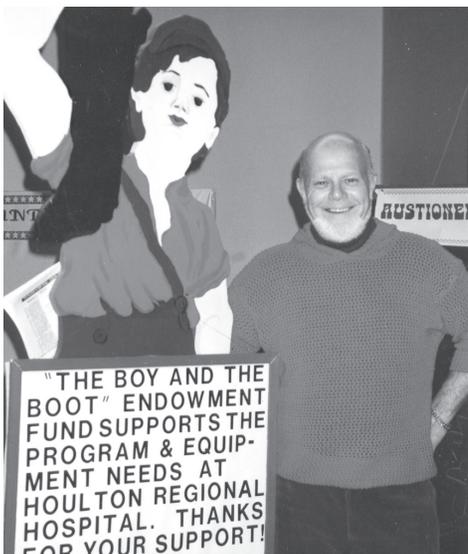

Rotarians take bids on the phones while they "Watch The Board" to avoid low bids.

Phil McCarthy & Charles Upton work as Peggery & Sorters for Auctioneers Walt Burlock & Jack Ketch.

The Auction spent one year airing from the Houlton High School Auditorium - the first on the school's local access channel. Pictured, back to, Jon McLaughlin & Walter Goodrich; on stage, Auctioneers Karl Woods & Andy Mooers react to Torrey Sylvester.

Long time Rotarian & Past District Governor Mike Clark promotes the Boy & the Boot program which is still a part of the annual auction.

Past Presidents Jim Williams & Bob Anderson take in the Auction action.

Max Lynds reads off bids as they come off the conveyor belt while Vicki Smith enters them into the tote board ... now computerized.

Nancy Ketch & Bob Blanchette track successful bidders in Bob's database.

Two of our longest serving Rotarians from many years ago ... Leigh Cummings who is now a Past District Governor and Andy Mooers with one of his sons.

Craig Bean reads off the bids so they can be recorded on the electronic tote board.

For the 60th Annual Auction in 2015, the club recognized it's then longest serving members from left to right, Mike Clark, Bob Anderson, Rod Palmer, Forrest Barnes, Bob Blanchette and Torrey Sylvester.

Joyce Fitzpatrick & Pete Chase are Peggers & Sorters for Auctioneers Paul Adams & David Wiggin.

THE HEALTH SERVICES FOUNDATION WISHES TO:

THANK YOU. THANK YOU FOR CARING ABOUT THE HEALTH OF YOUR FELLOW COMMUNITY MEMBERS. THANK YOU FOR YOUR OVERWHELMING GENEROSITY AND SUPPORT EACH YEAR DURING THE HOULTON ROTARY AUCTION WITH AN INVESTMENT IN THE BOY WITH THE LEAKING BOOT.

You may wonder what kind of a difference your investment makes. To-date, over **\$3.2 MILLION** in funding assistance has gone to our local hospital, nonprofit healthcare providers and organizations for critically needed medical equipment, educational programs, services, technology upgrades and health and safety devices. Already this year, over \$150,000 has been given to supply critical needs.

The Boy and Boot Endowment Fund

- Established in partnership with the Houlton Rotary Club and the Health Services Foundation in 1983 and remains a significant and growing funding source today.
- 500 Miniature Pewter Boy and the Boot Statues were commissioned by the Rotary Club each one numbered, and then the mold was broken.
- Your \$1,000 pledge for a numbered Pewter Boy and the Boot Statue represents an investment: a legacy of your commitment to the healthcare needs of your community. A new concourse donor wall is being designed to feature our community of generous donors.

- **Only 24 statues remain to be sold!**

RING THE BELL AT THE AUCTION WITH YOUR BOY AND THE BOOT PLEDGE!
