PROCEEDS *from this* AUCTION

The major thrust of this year's auction will be funding to assist the Houlton Humane Society with finishing an indoor dog exercise area and helping the Southern Aroostook Minor Hockey Association (SAMHA) in development of a street hockey rink.

There will also be funds supporting the Putnam House, Backpacks For Kids, Cary Library, Salvation Army, Dollars For Scholars, Student Recognition Day, International Projects, Rotary Youth Exchange and more.

The auction continues to support the Boy and the Boot Fund at the Houlton Regional Health Services Foundation. In addition, pledges may be called in to support books for Cary Library or to help fund the various projects of the Houlton Rotary Club. More information on these donations is available on the back cover of this supplement.

The Houlton Rotary Club wishes to express its sincere thanks to our area advertisers, sponsors and patrons. To the generous businesses, individuals and farmers who have contributed items year after year ... we are so appreciative! Our thanks to the news media for their support in making the Radio/TV/Internet Auction a success with a Special Thank You to WHOU, Pioneer Broadband and Spectrum for equipment set up at Watson Hall for broadcasting. And, to our bidders and faithful supporters, we extend our gratitude for your continuing to tune in and bid all these many years.

Our thanks to you all!

Thanks to Houlton Water Company for being the supplement sponsor

The Unsung Heroes of the Houlton Rotary Auction

*By Jon A. McLaughlin, Rotarian and Past President
and Josh A. McLaughlin Rotarian and Auction Chair*

When you think of Rotary Auction, have you ever wondered how the newspaper supplement is created or how items are sorted for the nightly auction slot? Well, it is a huge job and for the past several decades it has been the job of two very dedicated Houlton Rotarians – Bob Blanchette for over 50 years and Nancy Ketch for nearly 40 years.

Bob is a long time Rotarian, having joined the club in 1971. At that time there was a large table at the auction hall that was called the statistics table. It took 5 people to process the winners from each half hour and copies of winners were created from typing 6 copies using carbon paper. Oftentimes the winners' names were not available to be read over the air until late in the following half hour time slot. Then Bob's expertise came to play at the auction in the 1980's as he helped modernize the statistics process by introducing digital tools and using a Commodore computer system and spreadsheets to streamline the processes that were previously done by hand and typewriter, eliminating many of the people needed at the statistics table. His innovations were continuously changing as computers and database programs improved. To this day, Bob remains an integral member of the auction committee, ensuring its smooth operation and continued impact on the community. His enduring commitment to Rotary and the Houlton community reflects his passion for service and technological innovation.

Nancy, a Rotarian since 1988, has two distinctive important ties to the Houlton Rotary Club. First and foremost, she has the distinction of being the Houlton Club's first female president, a role in which she broke barriers and set a strong example for future generations of leaders. The second role, which she is very proud of, is her work with the annual Rotary Auction. While she is knowledgeable in all aspects of the auction, her strength lies in the successful collection of all descriptions and pricing of the hundreds of items to be auctioned and organizing the items into the proper time slots and thus enabling the creation of the bidding supplement that is published in the Pioneer Times the week before the auction. In addition, she works closely with Bob Blanchette, annually setting up his database entries, by making sure he gets the correct information for all items being auctioned. Her long-standing involvement with the Rotary Club reflects her passion for fostering growth and development in the Houlton area. Nancy's work extends beyond Rotary, as she has played a key role in various community initiatives, from major development projects to preparing Houlton for the influx of visitors during the 2024 total solar eclipse. Her tireless efforts have made her a central figure in shaping the town's future.

Bob and Nancy, thank you for all that you do for Rotary and the community. You truly are Houlton Rotary Club's unsung heroes.

INTERACT

**The Houlton Rotary Club sponsors
an Interact Club for students in the area.**

Interact clubs bring together young people ages 12-18 to develop leadership skills while discovering the power of Service Above Self.

The local club is a community based group called the **Interact Club of the Meduxnekeag** and is not associated with any one school. We currently have students from Houlton and Hodgdon in the club and encourage other youth in the area to contact the Houlton Rotary Club to learn more about the group and how they can be involved.

Pictures of Interact Students and their service projects are featured here. We are so proud of these emerging leaders!

DONATION OPPORTUNITIES

Southern Aroostook County is strong because of the people here who are invested in making this the best place to live. You can donate directly to one of our many partners or projects. We encourage you to call in during the auction and make a pledge. The options below are available.

To Pledge During The Auction, Call (207) 538-1537

\$1,000

HEALTH SERVICES FOUNDATION BOY & THE BOOT

A \$1,000 pledge will support the Health Services Foundation's commitment to bring you, your family and all those you care about the best possible healthcare services at Houlton Regional Hospital. Pledging a Boy & the Boot is a great way to honor or remember a loved one, or to pledge in your own name.

With a \$1,000 pledge, you will receive a limited-edition pewter replica of the Boy & the Boot statue once the pledge is complete. Some payment options are available.

Additional information on the Boy & the Boot program is also available by contacting the Foundation office at 521-2147 or by visiting their website

THE HEALTH SERVICES FOUNDATION WISHES TO:

THANK YOU. THANK YOU FOR CARING ABOUT THE HEALTH OF YOUR FELLOW COMMUNITY MEMBERS. THANK YOU FOR YOUR OVERWHELMING GENEROSITY AND SUPPORT EACH YEAR DURING THE HOULTON ROTARY AUCTION WITH AN INVESTMENT IN THE BOY WITH THE LEAKING BOOT.

You may wonder what kind of a difference your investment makes. To-date, over **\$3.2 MILLION** in funding assistance has gone to our local hospital, nonprofit healthcare providers and organizations for critically needed medical equipment, educational programs, services, technology upgrades and health and safety devices. Already this year, over \$150,000 has been given to supply critical needs.

The Boy and Boot Endowment Fund

- Established in partnership with the Houlton Rotary Club and the Health Services Foundation in 1983 and remains a significant and growing funding source today.
- 500 Miniature Pewter Boy and the Boot Statues were commissioned by the Rotary Club each one numbered, and then the mold was broken.
- Your \$1,000 pledge for a numbered Pewter Boy and the Boot Statue represents an investment: a legacy of your commitment to the healthcare needs of your community. A new concourse donor wall is being designed to feature our community of generous donors.

- **Only 28 statues remain to be sold!**

RING THE BELL AT THE AUCTION WITH YOUR BOY AND THE BOOT PLEDGE!

Payment options are available for your convenience.
