

THE ROTARY CLUB OF Truro

New Member Procedures and Proposal Form

New Member Procedures:

1. Before proposing a new member, it is good practice for the sponsor(s) to introduce a prospective new member as a guest at one or two club meetings. ***Do not introduce the guest as a potential new member to avoid embarrassment if the membership proposal is not approved.***
2. The sponsor(s) should then submit this membership proposal form to the Membership Chair.
3. Upon Membership Committee and Board of Directors approval and absent protest after publication for 1 week, the prospective new member will be informed of his or her eligibility to join.
4. The new member will be eligible to be inducted as a member at a club meeting.
5. The new member must complete a member data form and give it to the club secretary so he or she can be officially enrolled.
6. The new member will then be billed for club dues.
7. The new member will complete the mentorship program over the first 6 months of membership.
