Roderick A. Mingie, Secretary
Truro, Nova Scotia, Canada

Dear Roderick:

Here's a bit of service that we know you will appreciate. It's a copy of a complete list of the charter members of your club with the proper classification terminology indicated for each member. The classifications indicated are in accordance with the Standard Outline of Classifications shortly to be placed in your hands for guidance in properly classifying new members as they are taken into the club. We know that you will appreciate this bit of useful information and that you will closely follow the classification outline for further terminology of the classifications of the members whom you take into your club.

It is unnecessary for us to remind you that the one representative from each distinct line of business or profession is a fundamental in Rotary and that only by closely adhering to this fundamental is a Rotary club properly built.

Again assuring you of our pleasure in welcoming your club into fellowship, and with kindest personal regards, we are

Yours Rotarily,

Cecil B. Harris
Assistant Secretary
