SUMMER YOUTH EXCHANGE

Live like a local. Vacation like family.

A summer exchange immerses you in another culture one month and lets you share your culture the next. You're matched with an exchange partner, then you make your summer plans together with your families.

2019 exchanges to 15+ countries in Europe.

IS SUMMER EXCHANGE FOR ME?

Summer Exchange is a family-to-family exchange for ages 14-19 – the summers after grade 9.

The key thing is to be genuinely interested in the experience of living for ±6 weeks with a new friend – including ±3 weeks with their family.

WHAT DOES ROTARY DO?

Rotary screens the students, families and homes; proposes a match based on country, language, interests, age, gender, etc.; and has Rotarians available in both countries should any issues arise.

WHERE CAN I GO?

UK, Ireland, Denmark, Finland, Estonia, Spain, Netherlands, Belgium, France, Switzerland, Germany, Austria, Czechia, Slovakia, Italy, etc.

HOW MUCH DOES IT COST?

It varies because students/families plan the specifics of the exchange. The 3 main categories of cost are: Flights, passports and insurance; spending money; and hosting the other student.

Rotary charges a \$200 refundable admin. fee.
