The quarterly dues assessed to all members include a small operational buffer. For Tuesday morning members, there are no credits for meals not eaten or for absences. There are no meal credits for make-ups at other Rotary Clubs, but members DO get credit for the make-up for attendance purposes. PLEASE NOTIFY THE CLUB SECRETARY if you have done a make-up or if you have questions as to what counts as a makeup.

If an increase in dues is necessary, this will be discussed by the Board and then brought to the membership for a vote.
