**2010 Joint District Conference**

May 12 2010 - May 16 2010

Julie and I were fortunate enough to meet International Rotary President John Kenny and had a few separate opportunities to visit with him. What an honor this was. He is an amazingly kind and genuine man. His personal story and his speech were both powerful and motivating. There were several other great speakers. Dr. Robert H. Boyd from UND had a great talk on ethics. We took a lot of notes to help us plan the 2012 Conference.
