*Mark Senarighi*

Board  
*Terry Langevin  
Dr. Chad Spillers  
Dennis Morreim  
Jim Prusak*

Rotary Foundation  
*Jim Prusak*

## Past Visitors

2 Weeks Ago Shaye Moris executive director Second Harvest Northern Lakes Food Bank. Shaye told us that they serve 13,200 people per month. 627 in Carlton County alone. The food bank rescues donated foods and disperses it out to local food shelves and soup kitchens. They have 12 staff members of which 7 are drivers to deliver food. They have many volunteers. With the use of volunteers they save \$108,000 a year. For every \$1.00 donated the food bank can turn that into \$10.00. 3.7 million pounds of food donated a year translates into 2.9 million meals. They have been around for 26 years. What a great service they have provided to the region.
