Last Week's Speaker

Thank you to Keith Turner from FDL Tribal and Community College. Keith is the athletic director and head football coach. Keith has coached at Vermillion Community College and at Stevens Point prior to coming here. He is married and has 3 children, a daughter 15, son 12 and another daughter 10.

The college has 5 different sports at this time. Football, Men's and Women's Basketball, Women's Volleyball and Women's Softball with the hopes of adding Men's Baseball this spring. There are 10 colleges with sports teams in the league that they play in. Home football games are played at the Cloquet High School field. Keith stated that they are trying to get some games at the Barnum field due to a large number of players being from there. 34 of the football players are from Minnesota with 18 out of state.

Keith talked about the fact that he would like to see all of the athletes out in the community more helping with events or projects. So let's get out and show them our support and get to a few games this year.

We are pleased to be helping the Salvation Army again this year with backpacks and other school supplies.

Terry stated that she has a box to drop off supplies at Evergreen Knoll.

We also have a box at Cloquet Nutrition. The school supplies need to be to the Salvation Army by August 23. Please help with this great cause.

Rotary thoughts and prayers to:

Denny Randelin who lost his father last week. Denny's father is being laid to rest at Fort Snelling August 10 at 12:30

Deepest Sympathy
