SERVE TO CHANGE LIVES

Who We Are and What We Do

FM AM Rotary is where neighbors, friends, and problem-solvers share ideas, join leaders, and take action to create lasting change. We are one of five local clubs that are also apart of Rotary International. The first Rotary Club was chartered in Chicago, Illinois, USA in 1905. Today, there are more than 35,000+ Rotary Clubs in more than 200 countries, making Rotary International the oldest and largest service organization in the world. The members of these autonomous clubs are called Rotarians, and we form a global network of 1.2 million business and professional leaders, all volunteering our time and talents to serve our communities and the world.

FM AM Rotary Mission: Impact the lives of children locally, regionally and globally.
