

"Service Above Self"

FMAM Rotary Club: Our Mission is to improve the lives of children locally, regionally and globally.

Who We Are, What We Do - FMAM Rotary is where neighbors, friends, and problem-solvers share ideas, join leaders, and take action to create lasting change.

We are one of five local clubs that are also apart of Rotary International. The first Rotary Club was chartered in Chicago, Illinois, USA in 1905. Today, there are more than 35,000+ Rotary Clubs in more than 200 countries, making Rotary International the oldest and largest service organization in the world.

The members of these autonomous clubs are called Rotarians, and we form a global network of 1.2 million business and professional leaders, all volunteering our time and talents to serve our communities and the world.

Making a difference in Fargo-Moorhead and the World- Rotary International Foundation serves all 1.2 million members and funds the projects we do locally and internationally. Rotary members believe that we have a shared responsibility to take action on our world's most persistent issues. Our 35,000+ clubs work together to:

- Fight disease
- Provide clean water, sanitation, and hygiene
- Promote peace
- Save mothers and children
- Support education
- Grow local economies

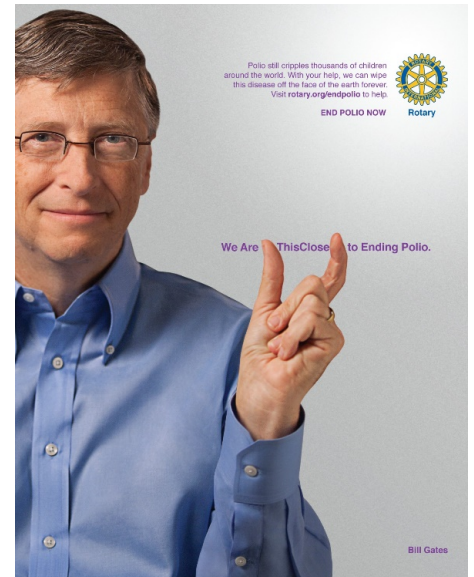

GOOD-BYE POLIO
THANKS ROTARY

We are this close to eradicating Polio - Rotary is a leader in the goal of eradicating Polio. In 2017, in conjunction with our partnership between Rotary and the Gates Foundation, Rotary and Gates announce an increased combined pledge of up to \$450 million to fund the eradication of Polio. Polio has gone from one of the world's most devastating diseases just a few years ago, to today where only there are only three countries in the world left where the wild poliovirus may still circulate

Our Club has a local and global impact - We have provided playground equipment for children with special needs and provided computers in Guatemala. Be Part of Something Bigger than Yourself

FMAM Rotary is part of the FM Rotary Foundation. Our very own 501c3 local foundation that the five rotary clubs in Fargo-Moorhead have contributed more than \$1.5 million, as well as thousands of hours of hands on service making these and our community and international projects possible.

Rotary is founded on "The 4-Way Test,"

1. Is it the Truth?
2. Is it Fair to all concerned?
3. Will it build Goodwill and Better Friendships?
4. Will it be Beneficial to all concerned?

Our Meetings - Every week we remind ourselves of our founding statement, we learn from speakers in our community and talk about volunteer opportunities. We learn what we can do to support the children in our community through a variety of possibilities. Nearly 5,000 volunteer hours have been giving to children in the last 10 years. This means nearly \$100,000 dollars in labor to support our local and international charities.

We meet every week at 7am on Thursdays at the Delta by Marriott. We take time to share with each other our Happy Dollars with the events of our lives. By joining you will make friends, have opportunities to network, see personal growth and development, become a more active citizen in our community, have fun, and through the opportunity to serve, make a difference!

Come join a group of passionate business people who care about this community and our children and work every week to make a difference.

To join, come to a meeting, call President David Dietz at 701-793-6021 or go to www.fmamrotary.org to download a membership application!

You'll be glad you did! We'll see you at Rotary!
