elections. He mentioned that 200 women have run for president, but only Hillary Clinton has run with the endorsement of a major party.

Abraham Lincoln, accused by a rival of being two-faced, replied that if he had had more than one face, why would he use this one?

The Noltes bring members up to date about the work of the Rotary Foundation

Gary and Cindy Nolte gave a Q&A-style presentation about the Rotary Foundation. Cindy played the role of a new Rotary member who knows nothing about the Foundation, while Gary — the District 5580 vice governor and Zone 28 coordinator of End Polio Now — provided answers to her questions.

Gary reported that in the last three weeks, two new polio cases or environmental samples have been reported.

One of Cindy's questions was whether the Rotary Foundation is a safe vehicle for collecting her donations. Gary assured her the answer is "yes." It has a five-star rating the highest level available, from Charity Navigator.

She also asked how Rotarians can go about donating. The answer: Visit the Rotary website, www.Rotary.org, and use a credit card. You can either have funds withdrawn at once or over time. Or ask Moorhead Rotary Treasurer Doreen Filler to add your donation to your club dues statement.

Gary Nolte explained the concept of sustaining membership, in which members give \$100 per year. Members of the Paul Harris Society pledge \$1,000 per year.

Weekly raffle pot again eludes a winner

The board may determine that a specific resolution be considered by ballot rather than by viva voce.

Article 8. Four Avenues of Service. The four Avenues of Service are the philosophical and practical framework for the work of this Rotary Club. The Avenues of Service are: Club Service, Vocational Service, Community Service, and International Service. This club will be active in each of the four Avenues of Service.

Club committees are charged with carrying out the annual and long-range goals of the club based on the four Avenues of Service. The president elect, president and immediate past president should work together to insure continuity of leadership and succession planning. When feasible, committee members should be appointed to the same committee for three years to ensure consistency.

- * Membership – This committee should develop and implement a comprehensive plan for the recruitment and retention of members.

- b) Each committee shall transact its business as is delegated to it in these bylaws and such additional business as may be referred to it by the president or the board. Except where special authority is given by the board, such committees shall not take action until a report has been made and approved by the board.
- c) Each chair shall be responsible for regular meetings and activities of the committee, shall supervise and coordinate the work of the committee, and shall report to the board on all committee activities.

Article 10. Duties of Committees.

The duties of all committees shall be established and reviewed by the president for his or her year. In declaring the duties of each, the president shall reference appropriate RI materials. The service projects committee will consider four avenues of service when developing plans for the year.

Each committee shall have a specific mandate, clearly defined goals, and action plans established by the beginning of each year for implementation during the course of the year. It shall be the primary responsibility of the president-elect to provide the necessary leadership to prepare a recommendation for club committees, mandates and goals and plans for presentation to the board in advance of the commencement of the year as noted above.

Article 11. Leaves of Absence.

Upon written application to the board, setting forth good and sufficient cause, leave of absence may be granted excusing a member from attending the meetings of the club for a specified length of time. *(Note: such leave of absence does operate to prevent a forfeiture of membership; it does not operate to give a club credit for the member's attendance. Unless a member attends a regular meeting of some other club, the*

excused member must be recorded as absent except that absence authorized under the Standard Rotary Club Constitution is not computed in the attendance record of the club.)

Article 12. Finances.

Section 1. Prior to the beginning of each fiscal year, the board shall prepare a budget of estimated income and expenditures for the year, which shall stand as the limit of expenditures for these purposes unless otherwise ordered by the board.

Section 2. The treasurer shall deposit all club funds in a bank, named by the board.

Section 3. The treasurer (or other authorized officer) shall pay all bills of the club and report monthly expenditures to the board, with the board reviewing and approving the expenditures as appropriate. The treasurer shall follow the direction and policies of the board as related to budgeting, investments, and expenditures.

Section 4. Officers having charge or control of club funds shall be bonded as required by the board for the safe custody of the funds of the club, cost of the bond to be borne by the club.

Section 5. The fiscal year of this club shall be from July 1 to June 30, and the annual collection of dues and fees shall be made quarterly, including per capita dues and official RI magazine subscription costs as directed by the board, the District or RI.

Article 13. Election of Members.

Section 1. The name of a prospective member, proposed by an active member of the club, shall be submitted to the board in writing, through the club secretary. A transferring or former member of another club may be proposed to active membership by the former club. The proposal shall be kept confidential except as otherwise provided in this procedure.

Section 2. The board shall ensure that the proposal meets all the classification and membership requirements of the standard Rotary club constitution.

Section 3. The board shall approve or disapprove the proposal within 30 days of its submission and shall notify the proposer, through the club secretary of its decision.

Section 4. If the decision is favorable, the prospective member shall be informed of the purposes of Rotary and of the privileges and responsibilities of membership, following

which the prospective member shall be requested to sign the membership proposal form and to permit his or her name and proposed classification to be published to the club.

Section 5. If no written objection to the proposal, stating reasons, is received by the board from any member (other than honorary) of the club within seven (7) days following the publication of information about the prospective member, that person shall be considered elected to membership in the club.

If such objection has been filed with the board, it shall vote on this matter at its next meeting. If approved despite objection, the proposed member shall be considered elected to membership.

Section 6. Following election, the president shall arrange for the new member's induction, membership card, and new member Rotary literature. In addition, the president or secretary will report the new member information to RI and the president assign a new member to assist with the new member's assimilation to the club as well as assign the new member to a club project or function.

Section 7. The club may elect in accordance with the standard Rotary club constitution honorary members proposed by the board. The club may also recognize "Senior Active" members as directed by the board. "Senior Active" members are retirees and only pay for their meals when they are in attendance at club meetings; they do pay regular dues.

Article 14. Resolutions.

No resolution or motion to commit this club on any matter shall be considered by the club until it has been considered by the board of directors. Such resolution or motion, if offered at a club meeting, shall be referred, without discussion, to the board, which after given consideration to the matter, shall submit its recommendations to the club. Having received recommendations of the board, the club may then proceed to take such action as may seem proper to the majority.
