July 5, 2020

The Park Rapids Rotary Club is planning the John Masog Memorial Rotary Golf Benefit Wednesday, August 26, 2020 at Headwaters Country Club. The 26th annual event has been renamed to remember John Masog, who started and chaired the first event and is a past club president.

As part of our Rotary Club's mission of service, we have contributed to various community projects. In 2019-20 these have included the new scoreboard at the Park Rapids High School athletic field, the Food Shelf, Let's Go Fishing, the high school Business Professionals of America, high school speech team, Kinship, Habitat for Humanity, Hubbard County DAC, Father Project, Headwaters Animal Shelter, Salvation Army, CHI St. Joseph's Dental Clinic and Hospice, Meals on Wheels, League of Women Voters and Park Rapids Sculpture Trail. We also sponsor the Cub Scouts, Youth Leadership training for high school students, an inbound exchange student, a Vocational Scholarship, Students of the Month and other youth activities. Most recently, the club donated \$1,500 to Heartland Homes, \$1,000 to the Hubbard County DAC and \$1,000 to CHI St. Joseph's to assist these organizations' needs due to the pandemic.

It is our hope to be able to continue to respond to community needs and new projects. One of the ways we are able to sustain these projects and many others is through the support of local businesses who advertise on each of the 18 holes at Headwaters.

Your contribution of \$250 as a sponsor will entitle you to have your business name and/or logo prominently displayed. (Rotary provides the sign.) Your business name also will be recognized on a sign in each golf cart the day of the event and recognized in the Park Rapids Enterprise afterward.

You may be contacted by a member of the Park Rapids Rotary Club regarding our Golf Benefit. Should you decide to participate, please make your check payable to Park Rapids Rotary Club, c/o Dan Pike, P.O. Box 704, Park Rapids, MN 56470. If you have any questions please call/text Dan at 218-255-3317.

Sincerely,

Dan Pike
