

PEOPLE OF ACTION

When you decide Rotary is the right home for you to help make the world and your community a better place, you will discover unlimited opportunities.

- Meet people in your community who share the same ideals as you do.
- Travel and participate in International Humanitarian projects.
- Belong to a worldwide movement of local Service, Friendship and Peace,
- Feed a hungry child who would otherwise go without on weekends,
- Volunteer at Crossroads community dinners,
- Mentor young students who face an increasingly challenging world.
- Raise funds for local arts, sports, Storywalk, skate and pump park projects, mini libraries, scouts, air cadets, cancer drivers and many more.

Along the way, you gain new friends through shared experiences and find ways to make our community a better place to live, work and play. You have the opportunity to use your talent and expertise to help people facing challenges around the world.

MAKING A DIFFERENCE

Solving real problems takes work, commitment and vision. It is so satisfying!

Rotarians work to protect communities from preventable disease, keeping families healthy and improving education and economic opportunities.

The North Delta Rotary Club actively supports:

- Starfish Pack Program. Local kids get to go home with food for the weekend.
- Provide bursaries and scholarships for the five senior high schools in NorthDelta and Kwantlen Polytechnic University
- ARES (an acronym for the African/Asian Ruggedized Education System) has educational resources from pre-school to post-grad operates like an internet in a box. It is a solution for the challenges of education in rural communities with minimal resources.

Ending Polio worldwide is a major goal of Rotary International.

GET INVOLVED

Join us. You can make a difference building community gardens and playgrounds. You'll have the chance to apply your personal experience, talent and skills to solve challenges and create positive change. As a member, you'll find opportunities to network and develop new skills.

You can make a difference internationally building libraries, computer labs and medical facilities in Kenya, delivering eye-care to Mexico, shipping containers of goods to Ukraine and the Philippines and helping in many other countries around the world.

*"In my 30 years in Rotary, I have developed great friendships and a much better understanding of the community where I live. The pleasure of giving back to your community and the projects around the world is immeasurable."
- Don Pateman*

*"I joined the North Delta Rotary Club because I received a Paul Harris Award for my environmental work. I stayed because of the people."
- Eliza Olson, LLD., B.Ed.*

Join us for a free lunch and learn about Rotary

Informative speakers often attend our weekly meetings.
