When you submit this form, an email will be sent to the address you specified.

Note: Contributions are our main source of funds for all of our international projects so the cost of a lunch or dinner might be considered as an appropriate contribution in exchange for the makeup.

Since Rotary eClub One is an Internet based club, we cannot draw on a local community for support of our service projects. The Make-Up Programs on our website are the primary fundraising means we have to support Rotary initiated service projects across the globe.
