Volume LXVI - No. 7

"Classification Talk & Our Wenatchee Rotary Website"

With Frank Clifton

***Our Meeting will be in the Cascade Room
at the Red Lion at 4:30 pm.***

Part 1. CLASSIFICATION - Retired mechanical engineer.

Born: Florence, SC 1938.

Grew up in Mount Olive, NC; graduated NC State College (now University, GO PACK!), 1961. Married high school sweetheart (LaQuita) in 1960; we have 3 adult children, 7 grand kids.

Career included engineering positions in Maryland, Florida, both Carolinas, California, Tennessee, and Hanford, WA (final 20 years of 35+ year career). Joined Mount Olive Rotary in 2004, served as president, 2008-2010, then secretary, 3 years; Paul Harris Fellow +1. Created and maintained club web site and newsletter there.

Relocated to Wenatchee in August 2015 to be nearby to 2 sons, and grandkids. Invited to visit Wenatchee Rotary in February, and was asked by Jim Russell to serve as secretary, and develop a new web site.

Part 2. Wenatchee Rotary ClubRunner web site.

Members are encouraged to bring laptops, tablets, or smart phones.

I plan to present a brief overview of the club web site and its features, including login instructions:

Home page news and stories, navigation menu, including links, historical archives, member lists, etc.;

Tools, including data integration, member profiles, email services, attendance data, analytics.

Our meeting room this week is located on the main floor next to the Grizzly Lounge at the Red Lion.

We will have a cash beer/wine bar. Appetizer buffet will be available for \$5 per person.

August is Rotary Membership & Extension Month

Think About it!

Our organizational priority is, and must be, membership... without members, there would be no Rotary. If we can achieve so much with the clubs and members we currently have, what could we do if we had more?"

– John Hewko, General Secretary of Rotary International

Who have you invited to Rotary lately?

If you believe in Rotary and what we have accomplished, don't you want to share that with your friends, neighbors and business acquaintances? It's the fellowship of Rotary that binds us together to get things done. Make Rotary fun and include others of like mind. That old cliché still applies "You get more done when you are having fun."

Have fun in Rotary!

YOUR UNITED VAN LINES AGENT

The Week in Review –

The question “Our Valley – What’s Next?” was partially answered today when Shilo Sauer and Steve Maher explained what this meant. She first defined our Valley as basically Chelan and Douglas Counties and the communities within that boundary. Their goal is to “Make things happen rather than Let things happen”. A committee of community leaders consisting of 11 people was organized back in 2014-15 to study this area and try to determine what we really wanted in our valley. Through community outreach they approached different groups to determine what was valued by those groups and what they really wanted. They tried to determine the reasons that each group had for what they wanted done.

From this analysis they narrowed the number of action items down to a total of 156 and then to 28 and finally to 11 major action items. They then identified 76 organizations that might take a lead position on these projects.

They are currently trying to refine these items down to a manageable number to come up with an action plan for the valley by November of this year. So, stay tuned for further updates.

SAVING LIVES ONE VACCINE AT A TIME

Goal
15,000

LIVES
SAVED
887

We have set a goal of saving 15,000 lives through our Club 60 donations this year. That is approximately \$3,000 that needs to be raised. Remember the Bill Gates Foundation is still matching our donations 2 for 1. All it takes is 60¢ a week, not even a half a cup of coffee, and you will save someone from the debilitating effects of polio and perhaps their live. Bring your loose change each week or if you don't have any change bring dollars and place them in the cups on each table.

CHAPLAIN'S CORNER

Bob Scea passed away this past week on Saturday, August 6th. With Bob's passing, Rotary lost a great friend and benefactor. Bob had been a member of our club for 53 years. He joined at the age of 27, in 1963, and was very active until just a few years ago when he no longer was physically able to attend our functions. He was a great believer in the RI Foundation and was an Arch Klumph Society member (Donating over \$250,000 to the Foundation). He was an inspiration to many of us and we will miss his optimism and generous spirit. Our heartfelt condolences and prayers go out to Bob's family.

CELEBRATE THE FOUNDATION'S CENTENNIAL

The Rotary Foundation turns 100 this Rotary year. Dedicated and connected volunteers like you have contributed significantly to its longevity. Our goal for this special year is to work together to raise a record-breaking \$300 million so Rotarians can continue serving communities for another 100 years.

This year, publicize your district's successful grant projects through testimonials, videos, and photos. Spotting local projects illustrates the power of The Rotary Foundation and raises more funds for grants.
