### **THINK ABOUT IT!**

Rotary membership has now become more flexible with new options available to clubs. We can now change our by-laws to allow additional types of membership and attendance requirements. After several years of pilot programs they found that when clubs have more freedom to determine how they meet, whom they invite to join, and what defines engagement, the club is more vibrant and able to grow.

**SAVING LIVES ONE VACCINE AT A TIME**

We have set a goal of saving 15,000 lives through our Club 60 donations this year. Remember the Bill Gates Foundation is still matching our donations 2 for 1. All it takes is 60¢ a week, not even a half a cup of coffee, and you will save someone from the debilitating effects of polio and perhaps their life. Bring your loose change each week or if you don't have any change bring dollars and place them in the cups on each table.

We are 10 days away from the main deadline of getting items for the auction. The Auction Committee asks that each member procures 2 items and a bottle of wine. You can turn in your items with completed donation form at any meeting, Express Employment Professionals, Ridgeline Graphics, or Clifton Larsen Allen.

There is still a sponsorship opportunity available. We are looking for a business to sponsor the Lucky Balloons activity the night of the auction. For more information contact Jill Leonard or Jim Russell.
