Kari is an active member of our community and an advocate for those without a voice. This week, Kari will share more details of her journey, her unique family and interesting tidbits.

Dick Reed recently retired from the Seattle Police Department after 31 years of service. He should have some very interesting stories to tell us. A meeting you won't want to miss!

## The Week in Review –

T-shirt dressed President-To-Be Don Myers presided over the meeting as President Jim is still on his European vacation. Guests included Susan's friend Sandy Covey, Norma's friend Adriana with the UNA, Pete's daughter Grace and Andy's daughter, Tabatha.

Don invited us to sign up for one of the 6 Firesides being offered in June and enjoy fellowship, socializing and maybe talking about our favorite club.

Norma and Adriana reminded us that the United Neighborhood Association of South Wenatchee needs our help Saturday, May 27 for their area clean up project - from 10:00 until 2:00.

RES Olivia and Putter shared their take on the Dam Tour and dinner last Thursday. They told us the food and fellowship was great and the tour down under was educational; they learned how water changes into electricity and those that missed it missed a lot. They also enjoyed their bus trip to Revelstoke.

PE Don introduced our speaker Jimmy Crocker, franchise owner of three local Dutch Bros Coffee stands. Jimmy told us that it was actually started in Oregon in 1992 by two Dutch Brothers, Dane and Trav. They were searching for a business opportunity and were motivated by Tony Robbins, a marketing advocate, businessman and author. They settled on coffee, but more importantly, created a business that was fun and part of the community. Jimmy, whose only business experience was working in delis, knew Dane who in 2002 gave him a chance to get into the coffee business and learn who he really was. He parlayed this into a thriving business today with three locations employing some 60 to 70 employees. His business model isn't about maximizing coffee sales, it's all about the treatment of people, employees and their customers.

Dutch Bros Coffee donates over \$2,000,000 a year to local communities and nonprofit organizations and Jimmy's franchise follows that theme.

Most recently they raised money in the "Campaign for Erik", helping with medical and family expenses associated with this local young man's critical heart transplant.

For this and probably many more reasons, the Chamber of Commerce awarded our local Dutch Bros coffee the Business of the Year.

Don's parting contribution to the club was his "Word for the Day", analeptic. He says it means, restoring, awakening, invigorating. (like caffeine perhaps?)

## "THAT DAMEVENT"

Fifty Rotarians and guests enjoyed a great evening at Rocky Reach Dam. Fellowship was followed by a fine salmon dinner prepared by Mama D's. The Stemilt Creek Winery donated their winemaker, Rich Hood, and plenty of excellent refreshments. The evening was capped by more fellowship for some while others enjoyed the eye opening "Hard Hat" tour that got right down into the bowels of the huge structure.

We were delighted to receive lots of donations from Rotarians and the community which allowed us to host a table of WestSide students and faculty members as well as our own exchange students, Olivia and Putter.

It was an evening to be remembered.

To many, Memorial Day, the federal U.S. holiday that takes place every year on the last Monday of May, is just another excuse for a three-day weekend. It's also known as the day that marks the official start of summer and as a day devoted to getting great deals at the mall. However, the true meaning of Memorial Day goes far beyond barbecues and mattress sales.

The holiday began after the Civil War, and at that time was known as "Decoration Day." While it was originally founded to honor the soldiers who died in the Civil War, today, Memorial Day is a day to honor all of the Americans who have died in military service.

Patriotic Americans should take a moment from their day of celebration and leisure to reflect on the brave sacrifices of those who have given their lives for this great nation. Get inspired by the following 25 Glorious Memorial Day Quotes, which celebrate American heroes, as well as the values that make this country worth fighting for.

## SAVING LIVES ONE VACCINE AT A TIME

We have set a goal of saving 15,000 lives through our Club 60 donations this year. Remember the Bill Gates Foundation is still matching our donations 2 for 1. All it takes is 60¢ a week, not even a half a cup of coffee, and you will save someone from the debilitating effects of polio and perhaps their life. Bring your loose change each week or if you don't have any change bring dollars and place them in the cups on each table.
