"Dutch Bros. Coffee" **with Jimmy Crocker**

Jimmy Crocker is the franchise owner of all three area Dutch Bros Coffee locations, and will be with us this week to tell us all we want to know about selling drive through coffee. But he also offers much more – a perspective on leadership development among his staff, how he takes part-time hourly employees and turns them into superbly employable workers, and has lots of fun doing it! Dutch Bros Coffee has a strong reputation for community involvement, and consistently raises large amounts of money for several charitable causes. Jimmy will have much to teach us about service above self!

THINK ABOUT IT! – Points to Ponder

In a study of 200,000 ostriches over a period of 80 years, no one reported a single case where an ostrich buried its head in the sand. • Outside the USA, Ireland is the largest software producing country in the world. • A chip of silicon a quarter-inch square has the capacity of the original 1949 ENIAC computer, which occupied a city block. • In 1386, a pig in France was executed by public hanging for the murder of a child. • The placement of a donkey's eyes in its' heads enables it to see all four feet at all times! • Queen Elizabeth I regarded herself as a paragon of cleanliness. She declared that she bathed once every three months, whether she needed it or not. • The glue on Israeli postage stamps is certified kosher. • Celery has negative calories! It takes more calories to eat a piece of celery than the celery has in it to begin with. It's the same with apples! • Ketchup was sold in the 1830s as medicine.

SUMMARY OF PROGRAM : The program, Community Leadership of Wenatchee Valley, CLWV was presented by Ms Jerrilea Crawford, of the Wenatchee valley Chamber of Commerce. She was introduced by Pete Van Well, (P/E Nominee of our club) and gave a detailed overview of the program, a nine-month commitment to personal growth, professional development, and community awareness. Participants develop a broad knowledge of the valley, and key issues facing the region as they hear from community leaders and tour local facilities. Topics include economic development, communication and media, agriculture, healthcare, education, public safety, and more. There is a trip to Olympia with an opportunity to meet state leaders. Beginning in September, all-day classes are held the second Friday of each month, and successful completion ends with a graduation ceremony and an invitation to join the alumni group. Tuition is \$700 for Chamber members, \$775 for non-members. Jerrilea enjoys working with the chamber as Community Development Director. She also serves on the city council of East Wenatchee and is Kiwanis member. Contact her at 509-662-2116, or by email at jerrilea@wenatchee.org.

SAVING LIVES ONE VACCINE AT A TIME

We have set a goal of saving 15,000 lives through our Club 60 donations this year. Remember the Bill Gates Foundation is still matching our donations 2 for 1. All it takes is 60¢ a week, not even a half a cup of coffee, and you will save someone from the debilitating effects of polio and perhaps their life. Bring your loose change each week or if you don't have any change bring dollars and place them in the cups on each table.
