October 6, 2016 Meeting at Noon on Thursdays at the Red Lion Hotel Volume LXVI - No. 14

"Classification Talk & Auction Update" **with Alfonso Lopez & Gary Provo** **"Meeting at Pybus Event Center"** **(Remember Cash or Checks only)**

Alfonso Lopez

Our speaker this week is one of our newer members Alfonso Lopez who joined our club in March of this year. He was proposed by Bryan Campbell. Alfonso is the principal at Lewis and Clark Elementary School and is the proud owner of the Paradise Restaurant on Wenatchee Ave.

Gary Provo will also give us some pointers on procuring Auction Donations/sponsors. Come find out how it is done.

FELLOWSHIP OPPORTUNITY

On Saturday, October 15th, the Wenatchee Sunrise club is chartering a Wenatchee Valley Shuttle van to drive to Everett to tour the Boeing Final Assembly plant. The van picks up in Wenatchee, transports us to the Future of Flight Aviation Center. From that Center, another van takes us on the Boeing Tour. We then return on the Wenatchee Valley Shuttle van to Wenatchee.

Located approximately 25 miles north of Seattle, The Future of Flight Aviation Center & Boeing Tour is the only public tour of a commercial jet assembly plant in North America. Explore the interactive exhibits and displays in the 28,000-square-foot Aviation Center Gallery; then take a 90-minute tour of the Boeing plant where you can watch 747s, 777s, or 787 Dreamliners being assembled right before your eyes. A short video is shown prior to the Boeing Tour. The tour viewing area is from the upper floors of the Final Assembly Building.

The cost of the transportation and Boeing tour is:

\$70 per adult (16 and older) (\$25 each way in the van + \$20 for Boeing Tour)

\$64 per child (15 and younger) (\$25 each way in the van + \$14 for Boeing Tour)

Children must be at least 48" tall. Children shorter than 48" are NOT allow; no exceptions.

We are limited to 24 passengers in the van. The Sunrise Rotary Club is offering this trip to any Rotarians and families that want to go. Wayne will be sending and presenting this same information to the other Wenatchee and East Wenatchee clubs. Sign up now if you want to go. THINK ABOUT IT!

One of the annoying things about believing in free will and individual responsibility is the difficulty of finding somebody to blame your problems on. And when you do find somebody, it's remarkable how often their picture turns up on your driver's license. – P.J. O'Rourke

The Week in Review ~

Our meeting was at Town Toyota Center and started off with our program. Katie Lenerville who is the new Director of Sales & Interim GM of Operations for the Wenatchee Wild. Katie introduced the Wild office dog- Ellie Mae. The opening games of the season are this weekend at the TTC. Katie came to Wenatchee from the Rapid City SD hockey team where she was director of sales. She started off letting us know she is as tough as any hockey player as she has 6 artificial front teeth. The Wild are currently without a radio contract to broadcast their games. They are working on a new contract & should have an announcement shortly.

Currently the Wild have 22 players ranging from age 18-20. The players are recruited by the coaches. The players are from the Northwest, Canada, & California. Players are billeted with local families during the season with the families receiving a stipend for housing a player.

The Wild promotion for this weekend's games is a diaper/underwear drive. Bring new (in the package) diapers or children's underwear and throw them onto the ice after the first Wild goal.

There are currently 450 season ticket holders and another 200 sponsor ticket holders. The TTC holds 4100 for hockey games. You can keep up with the Wild on their Facebook page.

Don Myers introduced Dick Reed, our newest Rotarian. Dick is a retired (30 yr) Seattle Police Dept. Captain. He married a local gal and has recently moved to Wenatchee. He is a Whitman College graduate (Go Missionaries) with a degree in Biology.

A really good charge was given by PP Terry Stuller. Terry spoke about a Rotarians commitment to Service, Leadership, & personal involvement. The more you put into Rotary the more you will receive from Rotary. Terry also challenged us to keep our eye out in the community for new Rotarians.

Dee Curcio put out a call for host families for our incoming exchange students. Contact Dee or Andy Petro if you can host a student.

A moment of silence was held in honor of the passing on Wednesday of PP Don Reichert. Don was President of our club in 1999-2000. Don was a great guy and will be missed by all who knew him.

SAVING LIVES ONE VACCINE AT A TIME

We have set a goal of saving 15,000 lives through our Club 60 donations this year. That is approximately \$3,000 that needs to be raised. Remember the Bill Gates Foundation is still matching our donations 2 for 1. All it takes is 60¢ a week, not even a half a cup of coffee, and you will save someone from the debilitating effects of polio and perhaps their life. Bring your loose change each week or if you don't have any change bring dollars and place them in the cups on each table.

You are invited to help celebrate Rotary's 30-year commitment to the global eradication of Polio. Join Rotarians from Cashmere, East Wenatchee, Leavenworth, Wenatchee, Wenatchee North & Wenatchee Sunrise for a potluck dinner at the Wenatchee Valley Museum, 127 South Mission Street, Wenatchee. All Rotarians and guests are welcome.

CHAPLAIN'S CORNER

Don Reichert passed away this past Tuesday, September 27th at the age of 86. Don was a great friend and a Rotarian for 40 years. He was President of our club in 1999-2000. Don was a multiple Paul Harris Fellow and Paul Scea Fellow. Don was one of the founders of NCW Community Bank and the owner of Reichert Nissan Motors. He was the consummate entrepreneur. Don provided the car (a Nissan 350z convertible) for our first car raffle in 2007. Interment will be at 1 pm, October 6th. Services will follow at the First United Methodist Church at 3 pm. Our heartfelt condolences and prayers go out to his wife Jane and their family.

HUMANITARIAN COMMITTEE REPORT

Our grant applications were due 9/15. It was exciting that we had six applications from a wide variety of clubs, organizations, and causes. The monetary range in money requested was from \$550 to \$9,000. We, as a committee, met on 9/23 in the basement of the Community Foundation to review the applications and make funding decisions. Through applying our evaluation spreadsheet and group discussion, we felt good about our decision to be able to fund four of the six requests. We only went over our self-imposed limit of \$7500 each quarter by \$50. We will be funding amounts ranging from \$300 for work through the Lighthouse Ministries to \$4,000 to improve student access to technology in the Inclusion Classes at WHS. We awarded \$750 to work with the Wenatchee Police Department, and the Wenatchee Skateboard Club, in improving the skate park at Pioneer Park and \$2500 to work with Wenatchee Youth Baseball Board to finish some needed additions to Morris Little League Park.

I have contacted all of the successful and non successful applicants and am working with Angela Spies to make sure that we make the funding pipeline flow smoothly. This was fun. People are already lining up to apply for grants from our next round of funding which runs from 10/1 to 12/15.

On another note, I am still representing Wenatchee Rotary with the Wells House Board on the construction of the canopy over the BBQ area. Just a reminder - We gave them \$3000 from January's auction with a pledge to continue our involvement. In that process we have demolished the old canopy and last week I dropped off the architect's specifications at Marson and Marson for a materials bid quote and expect to have that back in a couple of weeks - hope the bid comes in under \$3,000. — Joe St. Jean, Committee Chair
