## ***"Pybus Market...Reflections after 3 Years"*** ***With Mike & JoAnn Walker*** ***along with Kristin Lodge & Steve Robinson***

### **Pybus Market ..... Reflections after Three Years"**

"Mike and JoAnn Walker along with board of director member Kristin Lodge and executive director Steve Robinson describe why Pybus Market was established in 2012-13, the organizational structure of Pybus Market and the Pybus Market Charitable Foundation, and why they have been successful. They will also tell us what they think the future holds for this now popular community asset. The discussion will also include an update on the plans for additional waterfront development to the north and south of Pybus Market, as well as showcasing the schematic design for a new, multi-million dollar Annex building. Finally, the presentation will identify "the five best-kept secrets about Pybus Market".

## September is Basic Education & Literacy Month

### ***THINK ABOUT IT!***

In 2015-16, our Foundation awarded 146 global grants totaling \$8.3 million to support basic education and literacy projects worldwide. These projects vary considerably – from providing computers and school supplies in Ghana to sponsoring an after-school homework program in the U.S. to developing a literacy and mentoring program for Roma girls in Bosnia, a project that addresses the gender imbalance that exists in many parts of the world. As we observe Basic Education and Literacy month in September, let's think about the millions of people whose chances for success remain blocked by illiteracy. Our Foundation is helping many of them, but with Rotarian support and involvement, we can do so much more.

## The Week in Review –

Laurel Helton brought us up to date this week on what is happening with Make a Difference Day after 25 years of making a difference. Back in 1992 our town received the a first place in the compilation of cities across the country as we made a huge splash with almost 25,000 participants in the event. Since that beginning with have received at least 6 or 7 encore presentations for our work. We have been averaging about 8,000 participants the last few years and it is coming up again on October 22nd. To find out what projects are being planned you can go o their website (www.wenatcheemkdd.com) and wee many of the opportunities to participate. You can even register your own project. No project is to small or to large to participate. Their motto is "See a need... do a good deed.

Goal  
15,000

SAVING LIVES ONE VACCINE AT A TIME

LIVES  
SAVED  
1365

We have set a goal of saving 15,000 lives through our Club 60 donations this year. That is approximately \$3,000 that needs to be raised. Remember the Bill Gates Foundation is still matching our donations 2 for 1. All it takes is 60¢ a week, not even a half a cup of coffee, and you will save someone from the debilitating effects of polio and perhaps their live. Bring your loose change each week or if you don't have any change bring dollars and place them in the cups on each table.

## CELEBRATE THE FOUNDATION'S CENTENNIAL

The Rotary Foundation turns 100 this Rotary year. Dedicated and connected volunteers like you have contributed significantly to its longevity. Our goal for this special year is to work together to raise a record-breaking \$300 million so Rotarians can continue serving communities for another 100 years.

This year, publicize your district's successful grant projects through testimonials, videos, and photos. Spotting local projects illustrates the power of The Rotary Foundation and raises more funds for grants.
