"Classification Talk" **with Stacy Spurlock**

Stacy joined the club in January 2017 as a corporate member of CliftonLarsonAllen replacing Chris Rumbles who was club Treasurer. (you have her photo)

Since then she has been very effective in helping Chris maintain our club financial records and producing a monthly financial report.

Stacy will be introducing herself, and this our best opportunity to get to know her. All new Rotarians are asked to give such a talk, and it is a favorite topic for most members. The term "classification" is related to a person's career description, as all Rotarians are asked to designate how their career is classified. But, the talk is not necessarily limited work-related topics.

Do you know the official definition of Rotary? "Rotary is an organization of business and professional persons united worldwide, who provide humanitarian service, encourage high ethical standards in all vocations, and help build peace and goodwill in the world." [ABCs of Rotary, page 1]

A great leadership Team –Wenatchee President Don and RI president Ian Riseley!

THINK ABOUT IT! – A message from new RI president Riseley:

"There are as many reasons to come to Rotary as there are Rotarians – maybe even a few more. But each of us has stayed in Rotary because it adds something to our own lives. Through Rotary, we are Making a Difference in the world; and the more involved we become, the more of a difference Rotary makes to each of us. Rotary challenges us to become better people: to become ambitious in the ways that matter, to strive for higher goals, and to incorporate Service Above Self into our daily lives." - Excerpt from his July message

The Week in Review –

President **Don Myers** theme for us this year is **ENGAGE AND ENJOY**. He used this theme as a lens through which to examine our club structure and encourage our involvement in Rotary activities and projects.

Beginning with thoughts about **LEADERSHIP**, Don challenged the typical notion of a leader as a position at the top of a hierarchy; a position of power and prominence dominating and relegating actions. Instead, he suggests that effective leaders are closer in function to facilitators. "People tend to support those things that they help to create," he said. So our challenge is to consider "How can I facilitate more engagement, collaboration and synergy in club projects and activities?" Don asks that we be guided by the idea the "True leaders do not create followers, but they create new leaders."

In this meeting we looked at our club structure via a flow chart of our committees. President Don asks that we follow our interests and passions and merge our energy with others through these various committees. Some of which are:

Membership - We are setting a goal of increasing club membership by 10 % or 10-11 new members. **Community Outreach Humanitarian** - This year we will offset reduced funding for this committee by increasing personal involvement. Instead of seeking grant applications we are seeking opportunities through which to partner with community projects requiring men and woman power with hands on person to person activity. Examples may be gardens, construction projects, repairs, clean-ups etc. **Fellowship** - We began this summer with the Fireside gatherings. **Sue Rose** has taken the chair and our first whole club invite is for a BBQ before the Applesox game on Monday July 24th at 6pm. \$20.00 per person; see Sue for details and tickets. Interclub fun and opportunities are available as well:

August 3, our District Governor, **Bill Jenkin**, will preside over the (all-club) meeting, followed that evening with the **Annual Rotary Potluck 6pm at Sunrise Circle Park**.

October 27 the annual **Wenatchee vs East Wenatchee high school football game**. All area Rotary club members can participate by taking a turn manning the concession stand. This event was announced by guest **AG Rob Tidd**.

Interact Club- Faculty sponsor; **Jon Magnus** and club secretary **Niv Bhide** announced they had reached the club goal of raising \$50,000 for a Habitat for Humanity house. **CONGRATULATIONS** for a successful 3 year effort toward

a BHAG (Big Hairy Audacious Goal)! [don't miss their amazing Youtube video linked from our home page under Menu/New Generations]
