Re: End of Year Committee Report –

COMMUNITY OUTREACH COMMITTEE – Year End – 6/20/19

The Community Outreach committee received 4 requests for grant funding this spring to support various programs. The committee met on Friday, May 24, in the basement of the Community Foundation. Members included : Susan Albert, Eric Nelson, Gary Provo, and Joe St.Jean.

Question #1 – How much money did ‘we’ have to spend?

Started with \$6600
Minus 452 - for Chelan Co. Search and Rescue ‘litter’
Minus 1250 - for 2nd Harvest distribution 5/8/19
*Hold back 750 - for 2nd Harvest scheduled for 9/18/19

Leaving us with approximately - \$4150 to allocate to grants.

Question #2 – How did we allocate those grant funds?

Camp Zanika	\$1800	projects including a floating dock
Foothills Robotics	\$1000	support for future competitions
YMCA	\$750	Partners with Youth program
Catholic Charities	\$600	helping Volunteer Services buy portable AC units for use by low income seniors and disabled

Total spent on grants = \$4150

* Note: We are planning on carrying over \$750 already budgeted for to support the Rotary 2nd Harvest Food Distribution scheduled for September 18, 2019.
