

Outline of Mentoring Process – 2017-18

Pre-membership

Sponsor/applicant/mentor committee chair discuss possible mentors and committee assignments.

Applicant meets mentor and committee chair

When Joining Rotary

President mentions to new member and new mentor the Club's mentoring process and the Club's expectation his/her future Club leadership efforts.

Next Six Months – Mentor asks for help from other members when needed. Expectation is that the great majority of these steps will be done.

Sponsor or mentor and new member scheduled to be in the greeting line for first 3 Rotary meetings

Mentor-member meet informally at least monthly to establish relationship, check progress and goals.

Mentor and member attend several Rotary social events together. Mentor host new member at social event to introduce other Rotary acquaintances.

Possibly attend board meeting and visit other clubs

Chair of committee welcomes new member and assigns project/responsibility

Attend quarterly President's welcome.

Prepare classification talk

Goal New member finishes in 6 months, is comfortable in the Club, knows Club members, and is pulling his /her share in Club efforts and activities.

Classification Talk
