Dear Downtown Rotarians,

Brian Peddle
General
International Leader

Thank you so much for being a part of The Salvation Army's 2019 **Annual Red Kettle Campaign**. You may be pleased to learn that your group not only **raised \$4055.41**, but that those funds go directly back into the community as we use them to assist those in need who come to us for help daily, during the holidays and the ensuing months.

We are very grateful for the partnership that is established between the **Downtown Rotary Club** and The Salvation Army of Wenatchee, a great team dedicated to building a better community. We look forward to working with you in the future as we continue to bring hope to those in need.
