**WHAT A
GREAT
YEAR!!!**

WONDER WOMAN?

That did it

Things were going great for Jill Leipheimer, 3, until that last Coke and that last serving of ice cream. Her little tummy apparently has had it. Jill was one of the nearly 1800 who attended the annual Farm and Ranch Day Thursday at the Columbia Gardens, where rides were free and a

picnic supper was served. The Chamber of Commerce, aided by the Vigilante Rodeo and Saddle Club and the Columbia Gardens, promotes the event. Little Jill is the daughter of Mr. and Mrs. Ed Leipheimer of 3000 Green Lane. (Staff Photo by Betty Button)
