Wenatchee Rotary Club,

Your gift has already made an impact for our youth in need!

Thank you for your generous gift of \$64,000.00 to YMCA on April 14, 2022.

On behalf of the board and staff, I would like to personally thank you for making our work possible. Your kindness supports our Youth Scholarships and Youth Program Subsidies.

Your generosity inspires us to look beyond the challenges that our children face and elevates our full effort and heart into impacting all we serve, together. We are deeply humbled and privileged to be part of the Y's mission in our valley -- the community that is in the center of our goals, strategies, and admiration.

2022 will be a year focused on our recovery from our current health crisis and several months of facility closures and looking towards a brighter future. Our current and future success of providing program services that impact children and strengthen families is perpetuated by the continued generosity of our community supporters.

If you have a Y story to tell, we would love to hear from you! Please reach out to me at your convenience to share your passion.

With deep gratitude,

Dorry Foster
