

Rotary Club of Spokane #21

Rotary 21 is recognized as one of the premier service clubs in the world. It is an honor to be nominated and considered for membership.

Purpose Statement: "Rotary Club 21, in collaboration with Rotary International, champions health, education and peace through fellowship and service using our resources to make our community and world a better place."

Your interest in joining Rotary 21 should be primarily driven by your interest in helping fulfill this Purpose Statement.

We hope you will consider your membership in Rotary as a long-term endeavor. If you should change jobs, relocate or retire, you can find another Rotary Club that meets at convenient times.

The more you involve yourself in Rotary, the more everyone benefits – including you. We strongly encourage you to join and participate in at least one committee. Your attendance at weekly lunch meetings is also very important.

We have a strict rule against members allowing our directory to be used to solicit for non-Rotary business.
