Rules and Conditions of Exchange

As a Youth Exchange student sponsored by a Rotary club or district, you must agree to the following rules and conditions of exchange. Please note that districts may edit this document or insert additional rules if needed to account for local conditions.

Rules and Conditions of Exchange

- 1) You must obey the laws of the host country. If found guilty of violating any law, you can expect no assistance from your sponsors or native country. You must return home at your own expense as soon as released by authorities.
- 2) You are not allowed to possess or use illegal drugs. Medicine prescribed to you by a physician is allowed.
- 3) The illegal drinking of alcoholic beverages is expressly forbidden. Students who are of legal age should refrain. If you are staying with a host family and are offered an alcoholic drink, it is permissible to accept it under their supervision in the home.
- 4) You may not operate a motorized vehicle or participate in driver education programs.
- 5) You will be under the host district's authority while you are an exchange student and must abide by the rules and conditions of exchange provided by the host district. Parents or legal guardians must not authorize any extra activities directly to you. Any relatives you may have in the host country will have no authority over you while you are in the program.
- 6) If your program includes schooling, you must attend regularly and make an honest attempt to succeed.
- 7) You must have travel insurance that provides medical and dental coverage for accidental injury and illness, death benefits (including repatriation of remains), disability / dismemberment benefits, emergency medical evacuation, emergency visitation expenses, 24- hour emergency assistance services, and legal services, in amounts satisfactory to the host Rotary club or district in consultation with the sponsor Rotary club or district, with coverage from the time of your departure from your home country until your return.
- 8) You should have sufficient financial support to assure your well-being during your exchange. Your host district may require a contingency fund for emergency situations. Unused funds will be returned to your parents or legal guardians at the end of your exchange.

- 9) You must follow the travel rules of your host district. Travel is permitted with host parents or for Rotary club or district functions authorized by the host Rotary club or district with proper adult chaperones. The host district and club and your parents or legal guardians must approve any other travel in writing, thus exempting Rotary of responsibility and liability.
- 10) You must return home directly by a route mutually agreeable to your host district and your parents or legal guardians.
- 11) Any costs related to an early return home or any other unusual costs (language tutoring, tours, etc.) are the responsibility of you and your parents or legal guardians.
- 12) You should communicate with your host family, if applicable, prior to leaving your home country. The family's information must be provided to you by your host club or district prior to your departure.
- 13) Visits by your parents or legal guardians, siblings, or friends while you are on exchange are strongly discouraged. Such visits may only take place with the host club's and district's consent and within their guidelines.
- 14) Talk with your host club counselor or other trusted adult if you encounter any form of abuse or harassment.

Recommendations for a Successful Exchange

- 1) Smoking is discouraged. If you state in your application that you do not smoke, you will be held to that position throughout your exchange. Your acceptance and placement is based on your signed statement. Under no circumstances are you to smoke in any bedrooms.
- 2) Body piercing or obtaining a tattoo while on your exchange is not allowed, for health reasons.
- 3) If placed in a host family, respect your host's wishes. Become an integral part of the family, assuming duties and responsibilities normal for a student of your age or for children in the family.
- 4) Learn the language of your host country. Teachers, Rotary club members, and others you meet in the community will appreciate the effort. It will go a long way in your gaining acceptance in the community and with those who will become lifelong friends.
- 5) Attend Rotary-sponsored events and, if living with a family, host family events, and show an interest in these activities. Volunteer to be involved; do not wait to be asked. Lack of interest on your part is detrimental to your exchange and can have a negative impact on future exchanges.

- 6) Avoid serious romantic activity. Abstain from sexual activity.
- 7) Choose friends in the community carefully. Ask for and heed the advice of host families, counselors, and school personnel in choosing friends.
- 8) Do not borrow money. Pay any bills promptly. Ask permission to use the phone or computer, keep track of all calls and time on the Internet, and reimburse the costs you incur.
- 9) Limit your use of the Internet and mobile phones. Excessive or inappropriate use is not acceptable.
- 10) If you are offered an opportunity to go on a trip or attend an event, make sure you understand any costs you must pay and your responsibilities before you go.
