Lenore Family Life Center at MCC

Dale Weighill, Associate Vice President of Institutional Advancement at MCC, spoke to us last week about plans for the Family Life Center at the College, to be named in honor of our own Lenore Croudy. It will be home to MCC's nationally accredited Early Childhood Learning Center (ECLC allowing the program to increase enrollment from a maximum of 75 children to a maximum 125, and to serve children from birth to five years of age. It currently is available to children two-and-a-half to five years old.

The Family Life Center also will serve as a resource hub, helping MCC students and their families to address such basic needs as food, housing and transportation. Non-student parents of children in the ECLC program will also have the ability to access family support services on site.

And, MCC plans to eventually relocate its degree and certification programs in early childhood education to the renovated facility. With increased opportunities to engage with and learn from the children enrolled in ECLC, program graduates will strengthen the pipeline of skilled early education teachers and providers serving the Flint community and beyond. The perfect way to honor Lenore – our lifetime friend.

Our own Bobby Mukkamala gives UM-Flint Commencement Address

RCF member Dr. Bobby Mukkamala gave the keynote address at the December UM-Flint commencement ceremony. According to the Flint Journal, he advised the graduates to be proud of their accomplishments and resiliency.

“Draw on the entirety of your experience when you tell your story to the people interviewing you for your future jobs. Tell them about your academic interests and success sure, but also tell them of what you learned about life along the way, how you enjoyed the good times so far but also how you made it through the rougher patches. Tell them about your resiliency. It is this maturity that will open doors all over the place for you.”

Grand Blanc Rotary president Anoop Todd visited last Friday and was willing to be seen with President Mike ;)

Judge Duncan Beagle honored by Michigan Supreme Court

Kudos for our own Duncan Beagle who was honored by the state supreme court for his commitment outside of the courtroom.

The Michigan Supreme Court's publication, “Judges in the Community: Giving Back and Making a difference,” showcases individuals who made an impact within their communities away from the bench.

Duncan, who was appointed to the bench in 1991, is featured in the publication along with 20 trial court judges from across the state.

Duncan was highlighted for his work in family court with at-risk youth, drug court and other specialty courts.

The Rotary Four-Way Test

Of the things we think,
say or do:

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?"
