## Speaker Round-Up July 11:

Outgoing President Ray Gist performed a virtual induction of our new president and board members, and we heard from 2021-22 President Kyle McCree.

Kyle explained that he and Vice Presidents Elizabeth Jordan and Ann Marie Van Duyne are working on a road map for the future of the club collaboratively to provide continuity and consistency for multiple plans for the club as we move forward.

Their goal is to explore and make a plan for how our club can continue to be a positive force in our community with projects that have a lasting impact.

Kyle reminded us that Rotary’s international values include using our multidisciplinary perspective to see challenges in a unique way; find unique solutions; act responsibly; and make a difference both at home and around the world.

He shared that Rotary’s areas of focus for  
*continued*

the coming year are:

- Peace building and conflict resolution
- Disease prevention and treatment
- Water, sanitation and hygiene
- Maternal and child health
- Basic Education and literacy
- Community economic development
- The Environment

A preview of the 2021-24 Rotary Club of Flint Strategic Priorities includes:

- Diversity, Equity and Inclusion
- Service and Stewardship
- Rotary Engagement

He said ways members can support our club include using Smile.amazon.com and choosing the Rotary Club of Flint, and contributing to the Paul Harris Fellow or Jack Hamady Fellow funds. And lastly, we are hoping to return to in person meetings in September at the Food Bank, some things won’t be the same, but many things will be, we want to keep things that are important to the club membership.

## MEET YOU ON ZOOM!

While we are dealing with the Corona Virus, the Rotary Club of Flint will continue meeting via Zoom. There is another meeting scheduled for this Friday, July 16, 2021.

# Bits & Pieces

Lenetta Coney told us to hold the date Aug. 31 for the grand opening of the Lenore Croudy Family Life Center at Mott Community College – named in honor of long-time Rotarian Lenore Croudy.

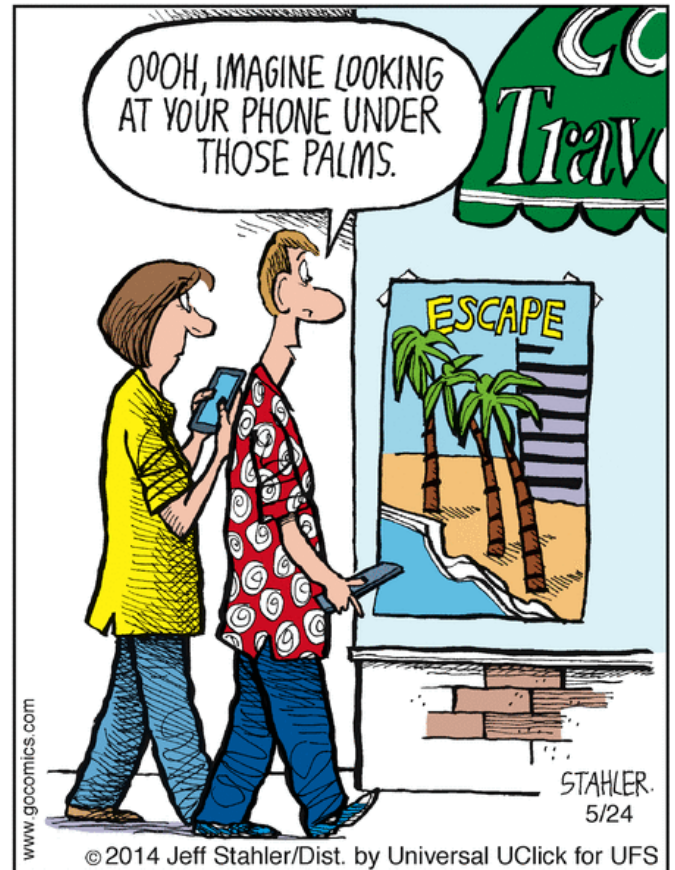

The situation in Haiti came up. Marc Schillinger would like to check on our water tanks in person but the political situation prevents it. He said his contacts in Haiti thought the assassinated president was a good leader and that it was too bad he was killed. Kyle encouraged club members to keep Rotarians doing great work on the ground in Haiti in their thoughts and prayers.

Mick Chaffee said that a Crim volunteer sheet is coming in next week's presidential email and he invited club members to join him for a fun service opportunity and to represent the Rotary Club of Flint in the community.

## Social commentary (tongue firmly in cheek)

"I just love how they come individually wrapped to seal in the flavor."

**The Rotary  
 Four-Way Test**

Of the things we think, say or do:

1. **Is it the TRUTH?**
2. **Is it FAIR to all concerned?**
3. **Will it build GOODWILL and BETTER FRIENDSHIPS?**
4. **Will it be BENEFICIAL to all concerned?"**
