## Speaker Round Up

Our speaker for Sept. 23 was Jason Carlisle, Assistant Principal of the Genesee Career Institute. He told us about the career and technical education programs available through the Genesee Intermediate School District—everything from forensic science to welding.

He talked to us about the on-site instruction and experiential learning in many career areas that help prepare Genesee County students for immediate entry into the workforce, upon completion of high school and the GCI program.

The institute also offers opportunities for students to gain advanced exposure to knowledge and skill sets in preparation for moving on to post-secondary education in their chosen field, and can even lead to college credit for courses taken at GCI.

They are also the site of the Base Camp Challenge Center, the Genesee Creation Corner and Shear Style Salon. Creation Corner and Shear Style give students

## Speaker Round Up contd.

Sept. 30 was the Fifth Friday of the Month. Several of Rotarians met up at the White Horse for fellowship and a good meal. President Elizabeth also enjoyed attending an event at the Flint Public Library where she saw several other Rotarians and got a chance to see the "Rotary Room" just off the children's area.

She said it was a good reminder of the ongoing benefit to the community when we work together to pool our resources. She was also struck by an article in September's Rotarian Magazine about the efforts of a young man to establish a library in his home community in Liberia and the work of Rotary clubs to support the initiative. As we close out Basic Education and Literacy Month and enter Community and Economic Development month, libraries are central to learning wherever they may be.

## Joke Duel will be back this week!

## Rotary Leadership Institute Opp

There is a Rotary Leadership Institute (RLI) training series (3 parts in all, to be taken sequentially). RLI helps Rotarians get ready to take on club leadership roles as well as develop skills that are applicable to a variety of professional and volunteer settings.

President Elizabeth will share dates for RLI Part 1 when they are available; if you have already taken RLI Part 1, there are upcoming opportunities to take RLI Parts 2 and 3. If you have questions or interest, please feel free to reach out to President Elizabeth or any of the other Rotarians who have participated in the past.

## The Rotary Four-Way Test

Of the things we think, say or do:

1. Is it the **TRUTH**?
2. Is it **FAIR** to all concerned?
3. Will it build **GOODWILL** and **BETTER FRIENDSHIPS**?
4. Will it be **BENEFICIAL** to all concerned?"
