WHAT IS ROTARY'S PURPOSE?

Rochester Rotary provides individuals with an organized way to give back by making a difference in the lives of people in our community, around the world, and in ourselves by working together serving others to impact their humanitarian needs to create lasting change.

THE 4-WAY TEST

of the things we think, say, or do

1. Is it the Truth?
2. Is it Fair to all Concerned?
3. Will it Build Goodwill & Better Friendships?
4. Will it be Beneficial to all Concerned?

THE ROTARY DIFFERENCE

Now more than ever it is important to consider contributing time and talent to the needs of our community. Being part of Rotary gives individuals an enjoyable and organized way to make a difference.

Rochester Rotary is where community leaders gather: to network, to participate in club projects and to develop enduring friendships and professional relationships.

TESTIMONIALS

"Rotary is the most impactful organization I have had the privilege to be associated with. I've personally seen their "Service Above Self" motto put into action to benefit both the residents of Rochester Hills as well as those less fortunate around the world. Their actions, mission and sincere execution of both make me proud to be a Rotarian."

Bryan Barnett
Mayor of Rochester Hills

"Since 2010 Rochester Rotary has supported our vision of a world where everyone has a decent place to live - we are grateful for this meaningful partnership."
