

Rotary Gateway Park

Be a part of Rochester's history and permanently honor or memorialize a friend or family member with an engraved brick in the Rotary Gateway Park. Orders received from October through March will be placed in the park in late spring and those received from April through September will be installed in the fall of the same year. Multiple orders can be grouped together and will be installed according to your explicit instructions if space permits. Simply fill out the order form below and place your check in the envelope provided. Your tax deductible contribution will help to support the park and many local charities. We look forward to your participation.
