Description

Create service opportunities throughout the year

- We try to offer a variety of service opportunities. We understand that some people can give time, some can give money, some can help with physical labor.

Participation

- Meetings: Every other month on the first Wednesday of the month at 11am at MHAB
- Participate semi- regularly in service opportunities

Expectations

- Event participation - service opportunities throughout the year. Some require in - person attendance for those available, some are open ended such as collecting holiday cards for a month.
- Willing to help out! Sometimes we need items picked up if there are collection boxes/ bins or things dropped off like holiday cards.
- Past projects: ramp building, Christmas Card Collections, Christmas Bureau wrapping station, Camp Jericho clean up, Centennial Park Clean Up, Feminine Hygiene packs (collected items, packed and distributed to local middle and high schools,) etc.
