

Rotary

September 2024

Dear friend of the Waterville Rotary Club:

As the temperatures begin to dip and we clean up the leaves and get ready for winter, preparations are underway for the **61st Annual Waterville Rotary Auction**. Every year, for over six decades, this important community event has supported Rotary's efforts to make a difference in our community.

Will you please consider donating an item or service from your business, or a local gift certificate to a local business or restaurant in your name? Your business's name will appear in our Auction's multi-channel marketing. Cash donations are always accepted and always appreciated.

If you would like to make a contribution, please email Jim Chapman at jchapman@maineccc.edu or a Rotarian will follow up with you!

Proceeds from our 2024 Rotary Online Auction will again go to benefit many important community programs. As always, Waterville Rotary is supporting several initiatives in the community. Among this year's programs are projects supporting mental health first aid and the local food pantries.

If you would like to participate in the online auction November 29 thru December 7, 2024, please look at our webpage for details: watervillerotary.com. After November 1, you may also search the auction items at Bidding Owl www.biddingowl.com/watervillerotary. Items will be updated regularly until November 29.

Thank you in advance for helping us make our towns and cities better places to live and work!

Sincerely,

Waterville Noontime Rotary Club

Waterville Rotary Club is a 501(c)(3) non-profit organization
