**Next Meeting: December 10th
90th Christmas Party
River Edge Restaurant
Ossipee**

Bob Cain opened our Thanksgiving weekend meeting with singing "Jingle Bells" to welcome the Christmas season, followed by a prayer. Bob O'Brien led us in the Pledge of Allegiance and the 4-Way Test. Len Pinault conducted the raffle drawing as we started a new round, but no winner emerged. Happy dollars included the Pat's win, John Peterson's memorial service, our guests from the Food Pantry, family gatherings for Thanksgiving, George Pacheco's extra efforts to make our tree sale fundraiser happen despite complications with a new vendor, and Fred Stephens' remarks at the memorial service on what Rotary meant to John Peterson and what he meant to Rotary. Guests Susan Maus and Kent Cromwell from the Food Pantry updated us on the Pantry's new outreach efforts to provide meals for Hope House families in transition, and for students during vacation weeks, who normally receive daytime meals at school. They reminded us that Rotary's Holiday Food Basket drive is the Pantry's largest funder each year and raises the bulk of their budget. Friend of Rotary member Kristy Kerin is co-chair of the event again this year and was at our meeting to complete filling up the sign-up sheets for the 5 days of the drive. We then moved to George Pacheco and our Tree Sale fundraiser, and George announced that trees will be delivered this Wednesday at 8:30AM, moved back a day due to snowy conditions expected tomorrow. George passed out several tree orders to be delivered to local businesses, and various members volunteered to make it happen. Members also signed up for coverage during upcoming tree sales days, which commence Friday Nov. 30th 10AM-5PM. Bob O'Brien then reminded us to sign up for the Holiday Party Dec. 10th at Indian Mound-- send your reservations to Bob Cain via email, and mail checks to P.O. Box 781 or deliver to Treasurer Barbara Hunt-- \$35 per person. Bob Cain announced the new members of our Finance Committee: B. Hunt (chair), P. Roessiger, C. Storm, and Sarah Brownlee. The committee oversees our charitable accounts with Edward Jones and advises the Board on financial matters for the club. There being no further business the meeting adjourned at 6:35.
