President Cain had Ed Gillespie introduce our speaker Brittany Boles who will be heading up the 2018 Wolfeboro Arts Festival. Brittany and her team are planning to change the Wolfeboro Arts sidewalk event to a festival event that will include music, face painting and other activities. They are planning to hold the event on one Friday each month of the summer. They are currently looking for sponsors for the event.

President Bob led the members and guests in song. Mal Cook gave the opening prayer. Brian Laing led the pledge and four way test and collected happy dollars.

Bob commented on the article about our sponsorship of the "Poetry Out Loud" program at Kingswood Regional High School. The winners will be giving a presentation at our March 26 meeting.

Jaime Laurent gave an update on our upcoming St. Patrick's Day event on March 16. She urged the members to report on their sales of tickets to the event so she number of participants .If you need additional tickets they can be picked up at Brian Laing's office in Clark Plaza. Bob reported that we will be selling raffle tickets the next two weeks on Tuesday and Friday at Harvest Market. Bob asked for volunteers to sell tickets.

Howard Zimmerman passed out folders to members who will be soliciting sponsorships for the golf tournament. Solicitation will begin after the St. Patrick's Day event.

Fred Stephens asked the members to call and give him an update on potential members. He is concerned because the club has set a goal of nine new members by June and we will have only added one to date.

Bob reminded the board that there will be a board meeting next Monday at 4:00PM in the library romm in the Inn.

Meeting was adjourned at 7:00 PM.

Remember we need to know how many tickets you have sold for our event!!!!
