

What is the Hanover Rotary?

Local business persons and professionals joining together to shape the future of the Upper Valley through leadership in community service, philanthropy, youth mentorship, and international service.

What kinds of activities are Hanover Rotarians involved in?

- Meet every Wednesday at Noon at Jesse's Restaurant for fellowship and lunch, including a local speaker on topics of interest.
- Provide substantial grant money to local charities through funds raised by the Club's annual auction.
- Participate in the Hanover July 4th Celebration and the Occum Pond Party to enhance those activities.
- Ring bells on Main Street during the Holiday Season to raise money for Listen Community Services, particularly for fuel assistance in Winter months.
- Provide scholarships to Hanover high school graduates for college.
- Support Rotary International student exchanges.
- Support Rotary International projects such as freshwater wells in impoverished countries.

What are the expectations of Members in the Hanover Rotary?

Hanover Rotary strives to encourage active, engaged members, but recognizes that Members can contribute toward the Club's activities in a variety of ways and the demands of their occupations and families require flexibility. Thus, participation requirements are viewed as goals. Three examples of Members who are fully engaged include:

- First, attend 50% of meetings and participate in five hours of service.
- Second, attend a dozen meetings a year and participate in 15 hours of service.
- Third, participate in 25 hours of service, and receive credit for one hour of service for each meeting attended.

How do I join the Hanover Rotary Club?

Contact the Chair of the Membership Committee, Peggy Cooper, at (603) 448-7456, or contact any Hanover Rotarian that you know.
