Dear Friends,

The Educational Theatre Collaborative (ETC) seeks your support for our 2022 musical, *Carousel*.

This is the 27th exciting season of ETC and we hope to have the support of many wonderful businesses, organizations, and individuals who believe in the power of the arts! As you may know, ETC is one of our community's best-attended events, and the proud winner of the Moss Hart Trophy given by the New England Theatre Conference (NETC). We welcome your interest and support in our efforts to bring the arts alive in this large-scale community project. ***We ask you to pledge your support in one of the ways described below, and thank you in advance for being a part of the magic!***

Place an ad in our *Carousel* program book!

Your ad will be seen by more than 2,400 audience members at six performances. Your contributions will help make this large-scale community arts project possible, and will directly support ETC's *Carousel*. Please know that by placing an ad in our program, you are helping to sustain this opportunity to showcase the many talents of our friends and neighbors. Please see the enclosed form for details or contact Jennifer Stewart at jencolapietro@hotmail.com.

Give *Carousel* tickets as gifts!

We encourage you to consider giving ETC tickets as **gifts to your employees this holiday season**. Several area businesses have started this tradition, and employees love the opportunity to have a night out together in the cold winter months. We are also seeking donors to purchase **matinee performance tickets for area senior centers** (tickets are \$25 each). Please call The Flying Monkey Box Office at (603) 536-2551 if you would like to participate in either of these wonderful opportunities!

Support ETC's production of *Carousel* with a financial gift!

We are also looking for a number of generous Legacy Donors, Carousel Performance Sponsors, and ETC Believers! In addition to the joy ETC brings to the community as a whole, our performances also bring economic activity to the area during a time when many PSU students are away. We hope that area businesses and individuals who have seen the work of ETC over our many years, and value what we bring to the community, will support us with a financial contribution.
