ST ALBANS ROTARY AND SMUGGLERS' NOTCH "2017 SEASON SKI AND RIDE WITH SKILL PROGRAM" INFORMATION SHEET FOR YOU TO KEEP

This program is for Grades 4 through 12 and will run for 10 weeks beginning January 7, 2017. The dates are January 7, 14, 21, 28 - February 4, 11, 18, 25 - March 4 & 11.

<u>Please Note</u>: Due to the number of skiers at Smugglers' Notch, there will be no lessons on January 14th (Martin Luther King Weekend) and February 18th & 25th (President's Weekend/School Vacation)

The program will cost each participant \$25.00 per week. Participants should bring the exact amount in cash. Smugglers' Notch Season Pass holders will be charged \$10.00.

The program includes an all-day lift ticket and 2-hour group lesson taught by a professional instructor. If your child's ability level is in the 1-4 range, we strongly encourage them to take lessons. This is a great opportunity to learn as there is no additional cost for taking a lesson. Again this year!!! Upper mountain lessons have evolved into more of a guided experience—this means less talk and more rock! Certified guides show you the best terrain available to keep you challenged and progressing. Participants can indicate each week whether or not they want to take a lesson/guided experience.

Please make sure that your child is dressed appropriately for the weather and that their equipment is properly fitted and adjusted for them. A certified ski technician must adjust the equipment. Also, we ask that skis and poles be secured together to facilitate safe handling. Kevin Smith's Sports Connection will have something available to help keep your skis and poles together at a very reasonable price.

**Please label your equipment!! The more the equipment is labled, the less likely it is to be lost or stolen!!! Every year someone has their gear lost or stolen and this is easily avoided! **

***We strongly encourage that all children wear helmets. ***
