

2023 St. Johnsbury Rotary Educational Award Information/Application

Each year the St. Johnsbury Rotary Club awards educational awards to area high school seniors going on to post-secondary education or pursuing technical/vocational training. This year, up to two awards will be granted in the amount of \$1,500 each.

In addition, Northeast Kingdom Human Services (NKHS) Wellness Committee and St. Johnsbury Rotary are partnering to offer an additional educational award of \$750. A portion of this award was raised through NKHS's "Jeans Day" funds and a portion is made available by St. Johnsbury Rotary. This award is to be given to a high school senior who is furthering their education in a human services or mental health related field.

Graduating Seniors with plans to further their education who are from schools within the St. Johnsbury Rotary Club service area are eligible to apply for these awards. The schools are: St. Johnsbury Academy, Danville High School, and Hazen Union School.

St. Johnsbury Rotary thanks the business sponsors listed at the end of the application for helping to make these awards possible!
