

LET'S PLAY!

Join us for the 23rd Annual South Burlington Rotary Golf Tournament at Vermont National Country Club.

The South Burlington Rotary has worked tirelessly to better the lives of people in our community. While following all government guidelines, even during the pandemic we were very busy distributing reusable facemasks to area non-profits, providing food service personnel with "extra" tips as part of our Serve Our Servers effort, and supplying people experiencing homelessness living at the Holiday Inn during the 2020 holiday season with hats, masks, and gift cards.

We invite you to come back and be a part of this wonderful fundraiser with friends and your community. The Air Cannon will return for this year's event along with many other fun filled activities while you're on the beautiful Vermont National Course.
