

Contest Rules for a Rotary High School Speech Contest

The following outline is designed to facilitate setting up and running a Rotary Speech Contest in partnership with community schools.

CONTEST DETAILS:

Each year the Rotary District will choose a topic which will relate to the “The 4-Way Test”, “Service Above Self” and/or the current year’s Rotary International theme or some combination of the three. In addition, the District will establish the schedules for the contest rounds and prizes to be awarded. Details on the topic, schedule and prizes will be provided on the Speech Contest Poster.

WHO IS ELIGIBLE TO COMPETE & RECEIVE CONTEST PRIZES

1. Any High School Student or high school aged student who resides in the club’s service area is eligible, unless the student has been a previous District 7850 Final Contest Winner.
