## Humane Society of Chittenden Society

The mission of the Humane Society of Chittenden County is to foster compassionate treatment of animals and to prevent animal suffering. One of the ways that HSCC does this is through their Humane Education Programs, one of which is Camp Paw Paw. Camp Paw Paw educates the youth of our community about the humane treatment of animals and much more! It's the best hope for a future free of animal cruelty and neglect. Each camp session reflects this mission, furthering the campers' understanding about the animals in our community.
