## **PROGRAM**

VOLUNTEERS AND LEADERSHIP -today's subject

Manny and Doug collaborated with the objective of encouraging members into more participation in club activities.

Our club has lot of experience among the members and he wants them to step up to the challenge.

Ideas on how we can have a dynamic organization - especially with young people.

Perform a leadership role at least once every 5 weeks.

Diversify the number of people involved.

Align members for leadership positions.

Have small groups meet after each meeting for various purposes such as thinking up new fund raising adventures

Time up - they want the members to mull over ideas until the next meeting,

THE FOUR WAY TEST

- 1) Is it the Truth?
  - 2) Is it Fair to all Concerned?
  - 3) Will it Build Goodwill and Better Friendships?
  - 4) Will it be Beneficial to All Concerned?
