

**Pontiac Rotary...  
one of 32,000 clubs  
worldwide.**

**What would it take to change  
the world?**

**1.2 million members**

**who value service above self.**

**Rotary International** is the world's first service club organization, with more than 1.2 million members in 33,000 clubs throughout the world.

The local club is the cornerstone of Rotary, where the most meaningful work is carried out. Rotary club members are volunteers who work locally, regionally, and internationally to combat hunger, improve health and sanitation, provide education and job training, promote peace, and eradicate polio under the motto Service Above Self.

Rotarians have a standing invitation to visit other Rotary Clubs anywhere in the world to share a meal, a story, a project or a passion.

*Like many things in life,  
what members get out of Rotary depends  
largely upon what they put into it.*

*The Rotary Club of Pontiac is one of 33,000 Rotary clubs in nearly every country of the world. Rotarians are members of the largest professional service club in the world – there is no other like it.*

*We meet for lunch every  
Thursday at noon at the
